Green Bay Packaging, Inc. Competing for 2014 Wisconsin Manufacturer of the Year Award

Madison – Green Bay Packaging Inc., a manufacturer of custom packaging and corrugated cardboard boxes, is competing for a Wisconsin Manufacturer of the Year Award. They are one of 11 Wisconsin businesses nominated for the Grand Award in the Mega size category and one of 29 competing in the Workforce Development Grand Award category.

Green Bay Packaging offers a vast array of products including brown shipping boxes, high print and graphic displays, eight-color folding cartons for a wide range of consumer products companies and a full line of coated papers. They service a market of customers from the largest consumer products companies to the local “mom and pop” manufacturer. Green Bay Packaging’s products include a multitude of retail and food service packaging solutions, pharmaceutical packaging, traffic stopping point of purchase displays and more. They were the first to use neutral sulfite semi chemical pulping in the production of corrugating medium. Today that process is used industry-wide to make fluted paper.

The Manufacturer of the Year Awards program recognizes a diverse array of manufacturers of all sizes and sectors of the economy for their paramount economic contributions to the great state of Wisconsin. A total of five Grand Award winners will be chosen: four in categories based on company size, and one for being an exceptional example to all in inventing and implementing innovative workforce development best practices.

Each nominee is evaluated in areas such as financial growth or consistency, technological advances, product development, environmental solutions, operation excellence/continuous improvement, commitment to employees, and effective research and development. The Wisconsin Manufacturer of the Year award winners were selected by an independent panel of judges representing industry, education, and the public sector.

The annual awards program is co-sponsored by the accounting and advisory firm of Baker Tilly Virchow Krause, LLP, the law firm of Michael Best and Friedrich LLP, and the business association Wisconsin Manufacturers & Commerce. The sponsors will celebrate the nominees and reveal the winners at an awards banquet on Thursday, February 26 at The Pfister Hotel in Milwaukee.
